### Attendees

Roll call – see list below. Dan Brancaccio led today's DNMTT call.

### Meeting Notes

- Jim – during the last leadership call Leadership Team asked each task team about the status of current and future work. Some ideas tossed around by the DNMTT are as follows:
  - o Revamp Quanta documents – PNNL DOE grant, stay tuned.
  - o Registry/exchange – in progress (<https://www.naspi.org/File.aspx?fileID=1823>).
  - o Data mining applications? The NASPI October 2017 meeting will be a vendor show and an opportunity with demonstrate their products and any in-house applications developments.
  - o Operationalizing technologies for standardize data exchange, e.g., COMTRADE
  - o Network survey, do we want another one?
  - o Revising NASPI net – work is taking place at PNNL/Jeff Taft.
  - o EIDSN role – should we have the DNMTT keep tabs on the technical aspects of data exchange? Jim McNierney to lead and provide update in October.

### Action Items

- Teresa will send out the Synchrophasor Archive Survey to the DNMTT for Dan Brancaccio asking for feedback and edits. The survey will be discussed in more detail during the DNMTT breakout sessions at the NASPI Work Group meeting in October.
- Jim M. to provide a write-up on the EIDSN role and have something to present at the October meeting.
