Meeting Notes

The meeting was attended by a very few callers. Jim McNierney went through the two draft documents that were provided by Jeffrey Taft of PNNL. It was agreed that we would redistribute the drafts for review and comment to the full DNMTT distribution list.

It was also discussed (with those in attendance) about trying to move the time of the monthly calls to earlier in the day. Recognizing that there were folks on both coasts that needed to be accommodated, we agreed to try the next call at 11:30 am ET (8:30 am PT).
