

**NASPI Work Group Meeting
October 28-30, 2019**

**The Westin Richmond
6631 West Broad Street
Richmond, Virginia, 23230**

The October NASPI Work Group meeting will be held in Richmond, Virginia, on October 28-30, 2019. This meeting will feature invited user success stories, NASPI Technology Partner presentations & vendor show, and a poster session. You will hear presentations from companies and individuals who are using synchrophasor technology successfully to solve specific challenges and the lessons they learned along the way. Our distinguished keynote speakers are Kevin Curtis, Vice President, Electric Transmission and David Roop, Director, Electric Transmission Operations & Reliability from Dominion Energy, Inc.

NASPI will also host a complimentary Train-the-Trainer technical workshop on October 28, 2019 from 1:00-5:00PM also at The Westin Richmond.
